

The Cypress Fire Protection District offers a Residential Chipping Program. Our program involves the residents being able to cut and stack their materials adjacent to the roadway and have a contract vendor chip and remove this material from the site.

Cypress Fire Protection District is requesting **per day** bids for a chipper, box truck and 2-3 personnel to drive through our Fire District to chip and remove cut limbs and brush. The program consists of 4 seasonal two-week periods averaging 60 days per year, depending on the amount of material stacked each period. The work will be tentatively scheduled for April 9-12, July 9-20, September 17-28 & November 5-16. The work will be completed when all piles are removed. The bid should include the disposal of chips at a location pre-determined by the bidder. The removal of chips involves working on public roadways and proper safety equipment is required.

With your bid, please include Public Liability and Workers Compensation Insurance Certificates and License Certificate. Final date for bid submission is March 9, 2018.

SCOPE OF WORK

- 1) All cut limbs will be neatly stacked (no higher than 4 feet) along the roadside, in the direction of travel, no later than 8:00 am the first Monday of the scheduled period. No more than 6-inch diameter. No loose Vegetation, vines or genista will be accepted.
- 2) Contractor will chip & remove all previously piled vegetation placed along public rights of way throughout the Fire District for a period of 8 hours daily.

All bids should be returned no later than March 9, 2018 to:

Cypress Fire Protection District
2221 Garden Road
Monterey, CA 93940

If you have any questions about our program or request for proposal, please contact Fire Captain Kim Bernheisel at 831-601-4751.
